

Big Time Planned For Jubilee Wed. August 11

The Didsbury Lions annual Jubilee celebration next Wednesday, August 11, promises to be one of the best sports days ever featured here. With over \$1,000 in prizes there will be cash awards and entertainment for both young and old.

The big day's sport program starts in the morning at 10:30 with a monster parade and entries for this should be made before Tuesday, August 10, with C.E. Heber.

A dot show is a new event this year and 11 different prizes are offered for 11 different kinds of dogs. Besides the children's races there will be midway attractions, merry-go-round and carnival events.

The men's hardball tournament will have teams entered from Innisfail, Bowden, Carstairs and a combination team from Melvin and Didsbury.

In the ladies' softball four teams have entered: Dog Pound, Grenada, Bowden and Didsbury.

There will also be a junior baseball tournament with teams from Westdale, Carstairs and Didsbury. Horse races again will be a feature on this year's Jubilee program and \$365 have been allotted for prize money.

During the day a band will be in attendance, and in the evening there will be a dance in the new arena.

Proceeds of the big Jubilee event will go to the Didsbury and district Memorial Community Centre Fund.

For a real day of sport plan to attend the Jubilee celebration in Didsbury on Wednesday, July 11.

RETURN FROM B.C. AND U.S.

Mr. and Mrs. Howard Gilmore returned Sunday from a two weeks' holiday in B.C. and the United States and some of the relatives visited were Walt Webb and Theo Gilmore of Port Angeles, the Kinke families of Vancouver, Harold Gilmore of Murrayville, the Gamble brothers of Chilliwack and the Browns of Langley Prairie. They report a very fine trip.

OIL CONSCIOUS

Farmers in some districts west of town are becoming oil conscious due to the presence of scents of C.E.C. In some cases the hole is sunk every half mile. At its base high velocity explosive is detonated, producing percussion on rock below, the echo of which, when charted by special instruments, indicates the presence or absence, as the case may be, of Madison limestone and Devonian sands. This company also did preliminaries on the Leche field.

Funeral Services For Mrs. J. L. Clarke In Calgary Monday

Another old time resident of the Didsbury district, Mrs. J.L. Clarke, wife of the late Dr. J.L. Clarke, passed away at her home in Calgary on Wednesday, July 28, at the age of 65 years.

Mrs. Clarke was born in Normanton, Ontario, and came to Alberta in 1906. She lived in Didsbury until two years ago when she moved to Calgary to reside.

A member of Knox United Church at Didsbury Mrs. Clarke was always active in church circles and a staunch supporter of the Red Cross.

She is survived by one daughter, Mrs. J.G. Walker, and one son, H. Bruce, both of Calgary; four grandchildren; three sisters, Mrs. J. A. Nixon of Edmonton, Mrs. J.W. Hiron of Vancouver, and Miss Ruby Farrell of Edmonton; four brothers, William George Farrell in Portland, Russell A. in Vancouver, Johnston E. and Bruce T. in Edmonton; Her husband, Dr. J.L. Clarke, died in 1946.

Funeral services were held Monday, August 2, at 2 p.m. from Gordon Bros. Funeral Home, Calgary, and internment followed in Queen's Park cemetery.

Westcott W.I. Has Interesting Meeting

The Westcott W.I. met at the home of Mrs. R. MacFarlane on Thursday, July 29, instead of the regular day on July 8, because of the holiday season, with 12 members and five visitors present.

Roll call was answered by guessing the husband's photos when they were young (some very young). All articles for the lavette, which was the objective for July, were handed in.

It was decided to again invite Grenada W.I. members to be guests at the next meeting. They were to have visited Westcott W.I. this spring but due to bad roads it was impossible. The members are looking forward to their visit this time.

Mrs. W. Owens gave out more material in connection with her Home Economics subject.

Mrs. C. Shields was unable to give her paper on Quaker in the "Know Your Canada," but will give it at the next meeting.

"Pack Up Your Troubles" and "In the Good Old Summer Time" were sung.

Mrs. MacFarlane gave a short report on the Farm Women's Week held recently in Oils.

Another member new added to the membership this month.

Mrs. H. Levasseur gave the interesting highlights of their trip to Toronto to visit with their son-in-law and daughter, Mr. and Mrs. Arthur Toogood.

Results in the men's knitted socks contest were: 1st Mrs. L. Luff, 2nd Mrs. Dubois.

Mrs. W. Owens moved a vote of thanks to the ladies who were three ladies who had not brought socks to the contest.

The next meeting will be held at the home of Mrs. W. Owens on Thursday, August 12.

Big Crowd at Fish And Game Picnic

Didsbury and district was fairly well represented at the third annual picnic of the Didsbury, Oils and Innisfail Fish and Game Association held at the Raven Fish Hatchery on Sunday and the event drew the largest crowd ever.

A feature this year at the picnic was the barbecue in charge of Slim Goodwin and with the assistance of Ken McCoy and Sid Hopkins of Innisfail the fat steer was prepared, cooked and served to the picnic. The only drawback was that one steer wasn't sufficient to supply all the meat for the hungry crowd.

Besides the ball games, rifle contests, fly casting competitions, etc., there was the tug-a-war and other feature events and a full report of winners will be published as soon as available.

Didsbury Stockmen Take Many Prizes At Red Deer Fair

At the Red Deer Fair last week local stockmen cleaned up in a number of events, particularly in the cattle and light horse classes.

In Shorthorn Beef Cattle Abe Snyder won second for his year-old bull; Reserve Male Champion; first for 2-year-old heifer; first for year old heifer; first and second for junior year old; second for senior heifer calf; senior female champion; junior female champion; first for breeders' herd of one bull and three females.

In the light horse class W.J. Faulkner won first for his Kentucky three-year-old; also second in this class. For two-year-old filly or gelding Geo. Gillrie won first and W.J. Faulkner second. W.J. Faulkner also won third for year-old filly or colt and fourth for foal of the calendar year. George Gillrie won fourth for mare or gelding ridden by gentleman.

Tom Morris had a number of his purchased Holsteins at the Red Deer fair and took first for junior bull calf; had the champion male; took first and second for two-year-old heifer; second and fourth for senior one-year heifer; fourth for senior heifer calf; third for calendar year heifer and first for breeder's herd. In the Jersey class Eric Clarke took first for one-year-old bull; had champion and reserve champion bull; won first and second for three-year-old cow; first for two-year-old heifer; first for senior year-old heifer; first and second for junior year-old heifer; first for calendar year calf; had senior, junior and grand champions, and won first for breeder's herd.

Now who can say that the Didsbury district hasn't champion stock and champion stock breeders?

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. Charles Snyder of Didsbury on Thursday, July 29, a son.

MOUNTAIN VIEW

Walter, Joe and Tommy Scutfield have just returned from a trip to Banff and other mountain resorts.

Mr. and Mrs. B. Elliott left Saturday for Stacey to visit over the week end. Mr. and Mrs. Elliott will be returning Sunday in two planes to spend the day with Mr. and Mrs. Bob McCallach.

Mr. and Mrs. H. Havne, Mrs. Briffall, S. McAllister and Hugh McLean were supper guests Saturday with Mr. and Mrs. G. McCallach.

Mr. and Mrs. Bob McCallach were visitors Sunday evening at the Sandy Brander home.

Miss Leona Neufeld left last week for a holiday at Vancouver.

Mr. and Mrs. J. E. Warrall and W. Bruce took in the Red Deer Fair last Friday.

The Neapolis Go-Op picnic held in Shultz's field last Saturday was not as well attended as last year but those who were there enjoyed themselves. At present the ball game results are not obtainable but we did hear the married men were really taken into camp by the single men. Children's races were a big feature of the day and also the ice cream, pop and other goodies which were sold from a booth in the field. It is hoped that there will be a larger turn out at next year's picnic.

Mr. and Mrs. J.C. Bruce and Mr. and Mrs. W.C. Bruce of Vancouver and two children motored to Ponoka Sunday to visit Mr. and Mrs. E.L. St. Clair.

Mr. and Mrs. Art Gellers and boys, Mr. and Mrs. Eric Atkinson, Jessie McCallach and Dorothy Ringheim returned Saturday from Banff after a four-day vacation.

Mr. and Mrs. W. D. Shultz and boys and Mr. and Mrs. Donnie Bowlen of Carstairs attended the picnic at the Raven Fish Hatchery on Sunday. Ken Shultz won first prize in the men's open rifle shoot.

Keith Farrell of Calgary spent the week end with Chas. Holbrook. A play-off ball game between Bowden and Cremona took place at the Cremona diamond July 25 and in overtime Cremona won 9-8.

Mrs. Dimzey's sister-in-law is visiting with her.

Mrs. Johnny Tippe and Orville left Monday to spend a holiday at the coast.

Mr. and Mrs. Tommy Thompson and Ken Cline are also spending a holiday in British Columbia.

Mr. and Mrs. Dimzey Sr. are now living on the farm west of Cremona.

Mrs. Stauffer of Didsbury is visiting this week at the Thompson home.

(This Week's News)

A shower for Alice Reid was held in the United Church annex on Friday. Among the many guests was Mrs. Hubert Carstairs.

Mr. and Mrs. Norman Ely and the boys spent Sunday at Banff.

Mrs. Frizzell and Allan are spending a vacation in the United States.

Mr. Holbrook is sporting a new Chev. car.

A hail storm last Tuesday hailed out a number of crops east of Garfield 100 per cent. There was no hail at Cremona but it made up for it in rain.

NOTES FROM WEST

The district was shocked Tuesday last to hear of the death of Mrs. J. L. Clarke of Calgary, a former resident of Didsbury. Mrs. Clarke was well-known for her kindly deeds and our deepest sympathy goes out to her bereaved family.

Mrs. O. Thompson and Mrs. O. Krebs were Calgary visitors last Tuesday and Wednesday.

Mrs. W. Banting and Mrs. L. Banting attended the funeral of Mrs. J. L. Clarke in Calgary Monday.

Despite the severe thunder storm with heavy rain that occurred last Tuesday afternoon quite a number attended the shower for Mrs. L. Banting which was held at the home of Mrs. A. L. Hogg. A sprinkling can trimmed in pink and white with the same colored streamers, hung over the table on which the gifts were piled. Games and raffles were played after which the bride opened her presents which were many and varied. Lunch was then served and the visitors wended their way home in the mud and rain.

Due to lack of space three wedding write-ups and a number of local news items have been held over until next week.

E. G. Banton was an Edmonton visitor last week end.

IN APPRECIATION

Mrs. Marie Goates, our correspondent for "Notes from the East" is moving to Olds and will no longer send in news from her district. Mrs. Goates has been a very faithful correspondent and her news budgets each week have been appreciated by your editor. We wish Mr. and Mrs. Goates and family success and happiness in their new home.

MELVIN NEWS

Mrs. Rudy Wilson, Mr. and Mrs. James Saunders (nee Doris Jackson) and Mrs. Rudy Saunders and Lorne were visitors last week at the home of their parents, Mr. and Mrs. Frank Jackson.

Mr. and Mrs. Roy Shaw who have been visiting in the district during the past month left Wednesday for their home in Arizona. Mrs. Shaw's father, Chas. Foss, accompanied them and expects to make his home with them in the States.

Mr. and Mrs. A. E. Krebs were

Calgary visitors on Wednesday and spent the evening with the Shaws on the first lap of their journey.

A devastating hail storm took a wide strip of the district on Tuesday, just two weeks after the other hail storm passed through. It's cool comfort, but the housewife at least won't have threshers to cook for.

Mr. and Mrs. Alvin Gowitz of Calgary visiting relatives in the district over the week end.

We see Art Wald installing new telephone poles along his road. It won't be long now till his telephone will be in.

BACK IN OUR OWN PLANT

With this issue the Didsbury Pioneer is again being entirely set and printed in our new building, constructed on the old location, and while our plant is not operating as efficiently as in the past we are prepared to handle all work available. It will be awhile before some of our new equipment arrives but in the meantime we will carry on and improve the Pioneer as time and equipment permits.

The Didsbury Pioneer staff has carried on the past three months under difficulties and we owe a debt of gratitude to the publishers of the Olds Gazette, Bonnie Newsman and Neil Leatherdale, who have put their printing plant at our disposal and enabled us to continue publication of The Pioneer each week. We take this opportunity to publicly thank the publishers of the Olds Gazette for their kindness in assisting us through a most difficult situation.
